CAREER OBJECTIVE

Highly motivated B.Tech Artificial Intelligence and Data Science Aspirant with a strong foundation in Python, Machine Learning, Generative AI, and Full-Stack Web Development. Passionate about building intelligent software solutions that solve real-world problems through applied AI. Seeking an entry-level opportunity to apply technical knowledge, strengthen problem-solving skills, and contribute to organizational growth.

EDUCATION

RVS College of Engineering and Technology, Coimbatore	2023 - 2027
B.Tech - Artificial Intelligence and Data Science	CGPA:8.3
Srivalli Varadaraj Matric Hr Sec School	2022-2023
HSC	Percentage:85
Srivalli Varadaraj Matric Hr Sec School	2020-2021
SSLC	

TECHNICAL SKILLS

- Programming Languages: Python
- Artificial Intelligence: Machine Learning, Generative AI, Scikit-learn, Pandas, NumPy
- Web Development: HTML, CSS, JavaScript, Flask
- Databases: MySQL, MongoDB
- Tools: VS Code, Git, GitHub, Jupyter Notebook
- AI Tools: ChatGPT, Claude AI, Google Gemini, Groq
- Operating Systems: Windows, Linux

PROJECTS

AI-Based Disease Prediction and Medical Assistant :

| Python, Flask, Machine Learning, Groq LLM, HTML, CSS, JavaScript, MySQL

- Built a machine learning model trained on symptom datasets to predict probable diseases based on user-input symptoms, achieving reliable classification accuracy.
- Designed a Flask-based web application with an interactive front-end for users to enter symptoms and instantly view predicted conditions along with precautionary measures.
- Integrated a Groq LLM-powered AI chatbot to answer follow-up health queries, providing medicine descriptions, dosage information, precautions, and general healthcare guidance in real time.
- Used MySQL to store user queries, prediction history, and chatbot interaction logs for future reference.

College Complaint Priority System :

| Python, Flask, Machine Learning, HTML, CSS, JavaScript, MySQL

- Built a complaint management platform where students can register complaints through a simple web form, with each entry automatically classified by urgency using a Machine Learning model.
- Designed a MySQL database schema to store complaint details, categories, priority levels, and status history, enabling fast retrieval and reporting.
- Developed an admin dashboard to view, filter, and update complaints by priority and status, reducing manual sorting effort for the administration.
- Implemented complaint tracking so students can check real-time status updates from submission to resolution, improving transparency and response time.

INTERNSHIP

Artificial Intelligence Intern - One Yes Infotech

- Developed and implemented Machine Learning models using Python, including data preprocessing, model training, and performance evaluation for AI applications.
- Gained hands-on experience in Generative AI, Large Language Models (LLMs), Prompt Engineering, and AI-powered application development.

Full Stack Development Intern - Elysium Private Limited

- Learned and applied front-end development using HTML, CSS, and JavaScript to build responsive web pages.
- Gained hands-on experience in back-end development with Flask, including routing, API creation, and database integration.
- Worked with MySQL/MongoDB for data storage and learned to connect databases with web applications.
- Understood the complete workflow of building, testing, and deploying full-stack web applications.

CERTIFICATIONS

- Google AI Essentials - Google (Coursera)
- ChatGPT for Advanced Data Analysis - Vanderbilt University (Coursera)
- Generative AI - Microsoft
- Python Course Completion - Cybernaut
- Web Development using Vibecode - Sparked Academy (Workshop)

LANGUAGES

Tamil (Native), English (Professional Proficiency)

HOBBIES

- Listening Music
- Creating Projects

PERSONAL DETAILS

Birth Date: 14/09/2005

Father's Name: Maheswaran K

Marital Status: Unmarried

Languages: Tamil, English, Telugu

Address for Communication: 3/17, Middle Street, Rengasamuthiram (P.O), Aundipatti (T.K), Theni (D.T) - 625562

Permanent Address: Same as above

DECLARATION

I hereby declare that the above information is true to the best of my knowledge.
